

April 5, 1963

Hon. Hugh J. Addonizio
Mayor, City of Newark
City Hall
Newark 2, New Jersey

Dear Mayor:

Attached is a copy of our 1962 Annual Report with a section from Page Six to Page Ten relating to your expressed desire to strengthen and increase the effectiveness of the Newark Human Rights Commission.

I am sure you will recognize that is no more than a restatement of the Recommendations made to you by this Commission, in September and October of 1962. You will note that we do not specifically request either subpoena power or injunctive power. This is because we know that under the present State Law Against Discrimination these powers are reserved to the New Jersey Division on Civil Rights.

Very sincerely yours,
